Dear Philadelphia Area DMA Members,

As you may know the Philadelphia chapter of DMA hasn't been active for some time now. It's time to get it up and running again. There are 475 members in the Philadelphia region. This district can be one of the strongest in the state.

To get started, Bernadine Winslow of Allegheny Valley School and the State DMA are hosting an organizational meeting. This meeting is for all DMA members who would like to be active in the organization on the local level. We will plan district meetings and activities. Your ideas and thoughts are important to getting us started. Your time and energy is needed to make Philadelphia an active district. I hope that you are able to attend.

An organizational meeting is planned for Wednesday July 19, 2006 for all members who are interested in reactivating the Philadelphia District DMA. This will be an informal meeting to talk about the interests and goals of the members for the organization. If planning to attend please rsvp Bernadine Winslow at [bwinslow@avs.net](mailto:bwinslow@avs.net) or at 215-677-9500.

If you are unable to attend the organizational meeting but have thoughts or suggestions you would like to share, email me at [tardinger@avs.net](mailto:tardinger@avs.net).

Meeting Info:

Location: Allegheny Valley School  
9990 Verree Road  
Philadelphia, PA 19115-1397  
Phone # 215-677-9500

Date: July 19, 2006
